

ISystem

```
graph BT; UpdateEntitySystem --> ISystem
```

A UML class diagram illustrating an inheritance or implementation relationship. At the top is a white rectangular box labeled 'ISystem'. Below it is a gray rectangular box labeled 'UpdateEntitySystem'. A solid blue arrow points vertically from the bottom center of the 'UpdateEntitySystem' box to the bottom center of the 'ISystem' box, indicating that 'UpdateEntitySystem' implements or inherits from 'ISystem'.

UpdateEntitySystem
